Seco Wood Grain Scotties... They look as good as they heat.

The wood grain finish adds just the right touch to our compact hot food unit. Scotties are perfect for buffet serving. Available in single or double well design. Special Seco design provides uniform dry or moist heat around foods. Wells are die-stamped stainless steel with standard 12"x 20" openings and take up to a 6" deep Seco pan. Each well is equipped with individual Robertshaw thermostat and red pilot light.

To order, send for catalog or contact your nearest Seco Dealer.

Bally Prefab Walk-Ins

Nation's first to pass Underwriters' Laboratories fire test

Assemble any size for outdoor or indoor use from standard prefab metal-clad sections insulated with 4" urethane "foamed-in-place" (equal to 8½" of fiberglass). Suitable for temperatures as low as —40°F. Easy to add sections to enlarge . . . simple to disassemble for relocation. Self-contained refrigeration systems available for all temperature needs. Subject to fast equipment depreciation. (Ask your accountant.) Write for brochure and sample of urethane wall. Bally Case and Cooler, Inc., Bally, Pa. 19503
